

Rebbit™ Bags

SPECIALTY PACKAGING SOLUTIONS

An environmental leap for packaging

If you ever hear the sound of a frog it's a good sign that the ecosystem you're in is a healthy one. With this in mind, Detpak would like to introduce its new range of environmentally friendly Retail and Bakery Bags... Rebbit™.

At Detpak we are committed to making environmental leaps in packaging solutions. Choose Rebbit™ and you're on your way to turning green.

Benefits

- 100% compostable in commercial composting facilities due to the bio-film lining.
- Made with paper sourced purely from managed plantation forests – meaning no old growth forests are used.
- Retail Bags are offered in 3 convenient sizes, with and without window. Bakery Bags are available in 4 sizes to suit the bread type.
- Offered in the attractive stock design "Vine".
- Can be bespoke printed for superior presentation of your brand.
